6 of 6 review helpful Like it but don t love it the way I do Grow Great Grub By Sharry Kim I love Gayla Trail and was first introduced to her by her other book Grow Great Grub which I absolutely love and use all the time Granted her book Easy Growing Organic Herbs and Edible Flowers from Small Spaces is a book with more specific information

on growing it still doesn't top Grow Great Grub I find that there are more useful Growing a handful of herbs and edible flowers adds sparkle to dozens of meals year round Fortunately for us these plants are not fussy They're simple to grow and will fit into any space you can provide including a crack in a broken patio stone the step next to your front door or a windowsill In Easy Growing Gayla Trail mdash author of Grow Great Grub and creator of the top online gardening community YouGrowGirl com mdash shares the tips idea com Featured Recipe Chive Blossom Vinegar Chive blossoms are a short term crop that come and go in the spring before you can bat an eyelash Capturing their mild chive flavor in a good quality vinegar is
