By Gilbert L. Wilson : Native American Gardening: Buffalobird-Woman's Guide to Traditional Methods
Native American Gardening: Buffalobird-Woman's Guide to Traditional Methods:

2 of 2 review helpful An Essential for Every Gardening Library By Joseph Steve Solomon recommended this great little book and I see why now Buffalobird Woman was a elderly Native American informant for Anthropologist Missionary Gilbert early in the 20th Century She relates both the agricultural practices and other cultural incidentals of her lifetime along with traditions of earlier times Her voice is clear and G Early in the 20th century anthropology student Gilbert Wilson made the first of several trips to an Indian reservation in North Dakota to examine agricultural techniques used among the Hidatsa Indians This intriguing book is the result of his research More than a survey of primitive agriculture however the work sensitively investigates the activities of a unique culture With the help of Buffalobird woman a Hidatsa native Wilson not only created a poignant bi
