By Nick Kollerstrom : Gardening and Planting By the Moon 2013 gardening by the moon calendar 2017 provides dates for starting seeds for region 2 this is the original best days calendar from the old farmers almanac gardening by the moon calendar from the farmers almanac the farmers almanac gardening by the moon calendar is determined by our age old formula and applies Gardening and Planting By the Moon 2013:

You won't have to get up in the middle of the night to sow your carrots. Country folk know that planning their work in harmony with the rhythms of the moon produces better crops. It's that easy. They get higher yields and better flavour in vegetables. Flowers produce stronger displays and heightened colour. This guide computes everything you need to know about the daily influence of the moon and the planets in the garden. With its full 15 month daily calendar it creates
