By John Seymour : The New Self-Sufficient Gardener how to be self sufficient in a city whether you dream about living in the wide open space of the country or getting away from the throw away society you can still a self sufficient life kind of with self sufficiency and frugal living tips from mr and mrs dirty boots The New Self-Sufficient Gardener:

61 of 61 review helpful Treasure Trove Worth its Weight in Heirloom Tomatoes By Living it up After 30 years of having gardens in small yards crowded yards shaded yards and rented yards we are finally in the position to tend 25 acres of land It s ironic that the practices I ve learned from the sustainable ag permaculture organic gardeners to make the most of my little gardens have now equipped me to grow mo This revised edition of an old favorite first published

in 1978 explains how to cultivate and preserve all types of fruit herbs and vegetables in addition to instructions on keeping bees and raising chickens AUTHOR BIO John Seymour authored over 40 books including the DK s best selling Complete Book of Self Sufficiency and The Forgotten Arts Crafts He died in the fall of 2004 at the age of 90 I have a small jealously guarded library of best ever food gardening books most of them now out of print and all authored by gardeners who spent at least as much time growing food as writing So when one of these classics comes back into print I m excited
