Trowel and Error: Over 700 Organic Remedies, Shortcuts, and Tips for the Gardener:

0 of 0 review helpful Great book for gardeners By vocalist Ordered this as a gift for a green fingered gardening friend for Christmas and couldn't help taking a sneak peek inside when it arrived This book is jam packed with tips and ideas that even the avid organic gardener may not have considered she was thrilled with the book and I would recommend this for anyone interested in organic gardening 2 of 2 review helpfu Ever since she was old enough to help her grandmother in the garden Sharon Lovejoy has spent her life working with plants and along the way through trowel and error she s accumulated hundreds and hundreds of remedies tips short cuts and cure alls Now Ms Lovejoy author

of Roots Shoots Buckets Boots and the award winning Sunflower Houses does for the garden what Heloise or the Queen of Clean does for the household Trowel and Error About the Author Sharon Lovejoy an author illustrator lecturer and teacher is the children s garden adviser to the American Horticultural Society and has been a guest on Today at NBC PBS s Victory Garden and the Discovery Channel She
