By Robin O'Sullivan : American Organic: A Cultural History of Farming, Gardening, Shopping, and Eating (CultureAmerica) American Organic: A Cultural History of Farming, Gardening, Shopping, and Eating

(CultureAmerica):

In 1947 when J I Rodale editor of Organic Gardening declared the Revolution has begun a mere 60 000 readers and a ragtag army of followers rallied to the cause touting the benefits of food grown with all natural humus More than a half century later organic farming is part of a multi billion dollar industry spreading from the family farm to agricultural conglomerates and from the supermarket to the farmer s market to the dinner tables of families all American Organic is a timely book especially for researchers and professionals in food and consumer studies Journal of American History A major step forward in the historiography of food movements in America Food historians enviro
