0 of 0 review helpful Five Stars By Ellyn Jones no problems Joy Larkcom proclaimed by the Observer the queen of vegetable growing transformed the experience of growing vegetables in Britain and indeed can be said to have played a large part in changing the whole of the British attitude to vegetables Among many innovations she introduced saladini and bags of mixed salad leaves and popularized the practice of cut and come again All this according to Joy stemmed from the Grand Vegetable Tour she undertook with At first glance a biography of a vegetable grower hardly seems likely to be any more exciting than a bag of potatoes yet Joy Larkcom manages to animate and energise her story with such good writing that every chapter is a tasty morsel
