By cookbook lover Came as described and recipes are wonderful Many vegetarian or easily changed to be vegetarian  
but also great fish and shellfish recipes as well 1 of 1 review helpful Five Stars By Soo Love this recipe book makes  
for a great gift Imagine a luxury retreat center nestled in the tall forest of an island paradise where the sea laps at the  
beach below Now add the most delicious food imaginable created by a host of talented artist cooks using vegetables  
and flowers gathered from the center rsquo s lush gardens and presented with delicate care Then think of the most well  
known names from the body mind and soul circuit who frequently teach here and the guests who hail from the furthest  
rea Maharaji said that we should eat only food cooked with love The food at Hollyhock is tasty cooked with care and  
love I take away a soft sweetness and a fat stomach About the Author Moreka Jolar has worked with cooks
