By Sarah Wolfgang Heffner : Heirloom Country Gardens: Timeless Treasures for Today's Gardeners (Rodale Organic Gardening Books) Heirloom Country Gardens: Timeless Treasures for Today's Gardeners (Rodale Organic Gardening Books):

8 of 8 review helpful This is what I should have started with By A Ryan In establishing my first ever vegetable garden this year I gradually became aware of the world of heirlooms through catalog sources and brief mentions in other

books If I had only started out with Heirloom Country Gardens Timeless Treasures for Today s Gardeners I would have been inspired to double my growing space to include the gorgeous flowe Heirloom plants are the varieties grown in our grandparents gardens before hybridization created standard plants with less variety These antique plants are coming into vogue with many gardeners who enjoy the nostalgia and boundless diversity of heirloom plants Heirloom Country Gardens offers a plan to grow these beautiful plants to their best advantage This unique guide focuses on 6 heirloom garden designs created especially for this book It includes regi com Love history as much as you love plants Interested in resurrecting some nearly forgotten and delicious garden vegetables Heirloom Country Gardens offers a wealth of suggestions in a lovely format that mixes gorgeous photos with fascinating text
