1 of 1 review helpful For Farmers By Bamboochik Good book if you have a farm and want to make more money from it
2 of 2 review helpful A fun book By Customer This book is full of great ideas for small farmers It won't teach you how to do any of them really but the amount of inspiration is great I love going back to this one and dreaming I plan to use many of the Agritourism mdash the practice of attracting travelers or visitors to an area nbsp used primarily for agricultural purposes mdash may be the most dependable cash crop available to modern day farmers nbsp For those interested in developing their own agritourism project this book offers an overview of the origins of agritourism and provides useful information on developing an original plan nbsp With profiles of farmers and their microfarms from around the world A how to book could not have been written any more beautifully Lucid explanations real life examples and cases supported by beautiful photos Adams book takes the reader on an exciting yet relaxing journey showing step by step
