**By Sharon Hanna : The Book of Kale: The Easy-to-Grow Superfood 80+ Recipes** made this last night very good delicious actually i had a hint of a sore throat and this hit the spot angela im finding that i can depend on your recipes i absolutely love the work i do each day; given the choice i wouldnt pick any other field which feels pretty awesome after following an unexpected winding path The Book of Kale: The Easy-to-Grow Superfood 80+ Recipes:

3 of 3 review helpful BOOK OF KALE By Marge Wonderful cookbook I wish it were hard bound but it s a good resource Kale IS good but I often have a hard time thinking of good ways to use it This is your starting place if you have lots of kale and don t know what to do with it It also is fun to read I love reading cookbooks One thing I like about it is that it has taken a lot of familiar recipes and adapted them to have Kale one of the most nutrient dense greens in existence has been growing for thousands of years without any fuss Yet despite the fact that kale is lauded as

a miracle food and most people know that they should be eating it many don't know how to make it taste good Here kale evangelist Sharon Hanna provides more than eighty simple but superb recipes for breakfast lunch dinner and snacks Dishes ranging from Kale Chips to Kale and Potato Torta or I jumped on The Book of Kale like a slug on lettuce not only because of my own extreme enthusiasm for this easy growing miracle food but also because it is becoming so rightfully popular Helen Chesnut Victoria Times Colonist Ju
