1 of 1 review helpful GREAT book full of GREAT garden tips By deb 1 Woohooo Got my book yesterday as I pre ordered There are all kinds of great ideas in this book which is chock full of GREAT ideas to save you money and time A lot of do it yourself stuff which I love some I have done some I have not heard of but am VERY happy to learn of Easy to read easy to follow and short and to the point I plan t Create simple solutions for growing organic gardens

The word hack has a multitude of meanings these days but if you ask garden author Shawna Coronado what a hack is she might just wave her hand toward her own back yard She could be pointing at the garden bench she created from leftover wood posts and a few cinder blocks or the rows of wine bottles buried soldier style along a winding pathway or even the garden soil itself which is blended by hand an irrepressible gardening evangelist HoustonChronicle com
