By Alys Fowler : The Edible Garden: How to Have Your Garden and Eat It the colorful buds and flowers of daylily are edible and make fun additions to mealtime you can eat the cultivated varieties in your garden or harvest wild daylilies in eat your yard edible trees shrubs vines herbs and flowers for your landscape author nan k chase shares her first hand experience with gardening The Edible Garden: How to Have Your Garden and Eat It:

15 of 15 review helpful A feel good book for new gardeners By H Malmsio I saw the TV series made by Alys and loved how it presented gardening in a relaxed and eco friendly way It seemed to be stress free and laid back and the

book has that same feeling The book seems to concentrate a lot on what to do with the garden harvest along with how to produce it but it is not a hard core gardening manual if you are Thrifty and resourceful ways to take the good life and refashion it to fit into city life by throwing out the old rules of gardening and combining the beautiful with the edible Turning the pages of the book will make new gardeners sigh with pleasure and give old timers much to think about Daily Telegraph Quirky is the word that springs to mind when leafing through this book it is for anyone who has dreamt of the Good Life but
