**By Rosemary Morrow : Earth User's Guide to Permaculture, 2nd Edition** earth users guide to permaculture 2nd edition chelsea green publishing earth users guide to teaching permaculture is of key relevance to teachers and this second edition of rosemary morrows highly successful earth users guide to permaculture is a straight forward manual of practical permaculture Earth User's Guide to Permaculture, 2nd Edition:

5 of 5 review helpful Not a good introduction to permaculture practices By J Allee Having taken a college class in permaculture where this was a required text I am thoroughly disappointed Some of the information makes sense but in

general you have to live in utopia or terraform the planet in order for much of the information to apply In reality we have to work with what we have and make the most of the situations w The principle for permaculture is simple provide back to the earth what we take from it to create a sustainable environment The three principle aims are Care for people care for the earth and redistribute everything surplus to one s needs This completely revised and updated edition of Rosemary Morrow s highly successful Earth User s Guide to Permaculture is a straight forward manual of practical permaculture Fundamentally permaculture is I bought the Earth Users Guide way back in 1994 It was at a time when I d realised that there was much more to permaculture than making herb spirals and sheet mulch beds and was desperately hungry to find out more I d borrowed Permaculture One and the Desig
