By Nicky Scott : Composting: An Easy Household Guide (Chelsea Green Guides) specific recycling and composting options can vary by store due to local regulations and facilities just ask any cashier or team member at a guest services booth to the comprehensive bibliography from the 8th edition of the biointensive gardening classic how to grow more vegetables Composting: An Easy Household Guide (Chelsea Green Guides):

0 of 0 review helpful For beginners By Katie B This book didn t have lot to say about composting that I didn t already

know but I grew up with my parents composting and have continued to do it in our urban garden It has a lot useful information or someone starting out but if you re looking for any information on vermiposting or any other specialty composting all this boom will do is make you aware of its existence an A full color guide for both beginners and experienced composters with an A ndash Z reference section Composting is fun easy and very satisfying You can make compost even if you live in an apartment or don rsquo t have access to a garden There are lots of good reasons to make compost A third to two thirds of the average garbage can contents can be composted so you can lighten your bin mdash and stop it smelling Les About the Author Nicky Scott is a former Chairman of the Community Composting Network and is the Coordinator of the Devon Community Composting Network He has helped in the development of the ldquo Scotty rsquo s Hot Box rdquo and the ldquo RiDan rdquo comp
